LOCAL BUSINESS REVIEW **3 GREENS RESTAURANT**

Now under new management and given a complete overhaul, 3 Greens Restaurant in Elstree is a place where good food and a relaxed atmosphere are guaranteed. Now under the ownership of Watford resident Caroline Whitney, the former greasy spoon has been transformed into a laid back and welcoming establishment. The menu now includes traditional Sunday Lunch, afternoon teas and homemade jams. Sandwiches are also made with bread baked fresh on the premises that morning. All this can be enjoyed as you sit by a roaring fire and watch the comings and goings of the light aircrafts from the window. Caroline brings huge experience to 3 Greens having worked in some of the most prestigious establishments in the country. She ran the English side of the Orient Express under Pru Leith, and was part of the team that catered for the wedding breakfast of Prince Charles and Princess Diana at Claridges. *My Watford News* was invited to attend the opening night and was impressed with the exceptional quality

of the food prepared by Caroline and her team. With Caroline's natural flair and love of good food, there is no doubt that 3 Greens will be a huge success. If this night was the benchmark of things to come, 3 Greens has a big future ahead. We certainly look forward to going back and we recommend you go and give it a try too. If you wish to book a table or find out more information, you can call 3 Greens on 0208 953 6013. The address of the establishment is; 3 Greens Restaurant, Elstree Aerodrome, Hogg Lane, WD6 3AR.
