A generous serving of trivia will be on hand at the 3 Greens Restaurant at Elstree Aerodrome on Saturday, May 22.

The restaurant located on the apron of the airfield is organising another of its popular quiz nights offering a case prize for the winning team. The event will also raise cash for a deserving local charity.

There is still time to book but time is running out. The quiz night costs £15 per head and that includes a two course meal.

To book a place telephone 0208 953 6013 or visit 3 Greens restaurant.
